Work certificate (Zeugnis)

Mr. Yashodhar Hajare, born on September 20, 1996, was employed as an intern at Daimler Truck AG from November 1, 2024, to May 12, 2025.

He successfully supported the Product/ Project Management department for E/E & SW in HMI through the following key contributions:

- Project Coordination: Tracked progress, milestones, and risks using cplace and Jira; prepared documentation for software and mechatronics teams.
- Stakeholder Communication: Facilitated biweekly status meetings and ensured alignment across sub-projects through consistent updates.
- Process & Quality Optimization: Developed KPIs and dashboards to enhance workflows; maintained quality via structured documentation and sprint/risk tracking.

Yashodhar's work was characterized by determination, a systematic approach, and a sense of responsibility. He successfully applied his good expertise in his area of responsibility.
Yashodhar was willing to take responsibility and carried out his tasks with commitment and initiative. He always completed the tasks assigned to him to our full satisfaction.

His behavior towards superiors, employees, and colleagues was exemplary, very cooperative, and extremely constructive always and in every respect.

We thank Yashodhar for the very good cooperation and wish him continued success in his professional career and all the best personally.
